<sup>1</sup>The Minimum Annualised Premium refers to the total premium payable for the basic policy over a one-year period in the first policy year, excluding any premiums paid for supplementary benefits or top-ups made via Investment Booster (Lump Sum), if applicable.

<sup>2</sup>Promotion Bonus Units are additional units added to the Growth and/or Flex Account (where applicable) as per the account allocation set at policy inception. They are calculated as a percentage of the premium received for the basic policy in the first policy year, excluding any premiums paid for supplementary benefits or top-ups via the Investment Booster (Lump Sum), if applicable. For **PRUVantage Wealth III (SGD)**, Promotion Bonus Units are awarded only on premiums allocated to **PRUPrime CIO Funds** only, where such funds are available for selection at policy inception.

<sup>3</sup>A clawback may apply if a fund switch from **PRUPrime CIO Funds** to other funds is made on or before Day 180 from policy inception. Please refer to the full Terms and Conditions for details.
