ILP SUB-FUND SUITABILITY

WHO IS THE ILP SUB-FUND SUITABLE FOR?

The ILP Sub-Fund is only suitable for investors who:

- seek total returns, via a combination of capital growth and income, but with lower volatility;
- are comfortable with the risks of an equity fund that invests in the Asia Pacific ex Japan region;
- and appreciate that their capital will be at risk and that the value of their investment and any derived income may fall as well as rise.

Further Information

Refer to *Schedule (“Sch”) 3, Section (“Sec”) IV – Product Suitability* of the FIB for further information on suitability of the ILP Sub-Fund.

Investors may wish to speak to a Prudential Financial Consultant or Representative before making a commitment to invest in the ILP Sub-Fund.

KEY FEATURES OF THE ILP SUB-FUND

WHAT ARE YOU INVESTING IN?

- You are investing in an ILP Sub-Fund, SGD accumulation share class, which feeds 100% into Eastspring Investments - Asian Low Volatility Equity Fund domiciled in Luxembourg.
- The ILP Sub-Fund aims to generate total returns in line with Asia Pacific ex Japan equity markets, via a combination of capital growth and income, but with lower volatility by investing primarily in equities and equity-related securities of companies, which are incorporated, listed in or have their area of primary activity in the Asia Pacific ex Japan Region.

Refer to *Sch 3, Sec II & III – Investment Objective, Focus and Approach* of the FIB for further information on features of the ILP Sub-Fund.

Investment Strategy	
<ul style="list-style-type: none"> • Aside from the above equity investments, the ILP Sub-Fund may also invest in depository receipts including American Depository Receipts (“ADRs”) and Global Depository Receipts (“GDRs”), debt securities convertible into common shares, preference shares and warrants. • In choosing investments, the Investment Manager starts with a broad regional universe of stocks and shortlists them on the basis of investability and desirable characteristics. Portfolio construction and stock selection are quantitative, with an optimisation process applied to derive the optimal weights to construct a low volatility portfolio from an investable universe. • Constraints such as maximum individual stock weight, portfolio concentration, liquidity, sector, country and style exposures, etc. are applied in order to manage systematic and stock specific risk. 	Refer to <i>Sch I, Sec II & III-Investment Objective, Focus and Approach</i> of the FIB for further information on the investment objective and focus of the ILP Sub-Fund.

VALUATIONS AND EXITING FROM THIS INVESTMENT

HOW OFTEN ARE VALUATIONS AVAILABLE?

- The ILP Sub-Fund is valued every Business Day to work out the unit price. Prices of the ILP Sub-Fund may currently be obtained from www.prudential.com.sg, or such other publications or media as may from time to time be available.

HOW CAN YOU EXIT FROM THIS INVESTMENT AND WHAT ARE THE RISKS AND COSTS IN DOING SO?

- You can exit the ILP Sub-Fund by submitting a signed written instruction to us or the distributor from whom you purchased your ILP.
- If you do so within the review period of 14 days from the date you receive your Policy Document/Policy Booklet, premiums less medical fees (if any) incurred in assessing the risk under the policy will be refunded. We use a premium refund formula as determined by us, to work out the amount to be refunded to you. As you purchased an investment-linked type of policy, we will, in determining the amount that is payable to you, additionally be entitled to adjust the amount to reflect the change in market value of the underlying assets.
- Partial withdrawals are subject to minimum holding requirements. If you make a partial withdrawal, the remaining units in your ILP policy must be worth at least S\$1,000 based on the bid price at the time of withdrawal. If not, you will not be able to make a partial withdrawal.
- Your withdrawal value is determined as follows:
 - If we receive your withdrawal application by 3.00 pm, the withdrawal value will be based on the bid price calculated on the next Business Day.
 - If we receive your withdrawal application after 3.00 pm, the withdrawal value will be based on the bid price calculated on the second Business Day following the day we receive the withdrawal application.
- You will normally receive the withdrawal value no later than 6 Business Days from the date we receive and accept your withdrawal application.
- The withdrawal value that you will receive will be the bid price multiplied by the number of units sold. An example is as follows:

$$\begin{array}{rccc}
 1,000 & \times & \text{S\$0.95} & = & \text{S\$950} \\
 \text{Number of Units} & & \text{Bid Price} & & \text{Withdrawal} \\
 & & & & \text{Value} \\
 & & \text{Withdrawn} & & \\
 \end{array}$$
